Agenda

1 General Program Information

2 Workforce Compensation (WC)

- Access to WC
- Allocate, Model and Distribute Budget
- Export to Excel
- Rate Employees
- Make, Review, Approve and Submit Recommendations

3 Tips and Resources

Annual Equity Program

General Information

- Tools

- All managers will use Workforce Compensation (WC) to enter recommendations.

- Timelines

- Each LOB may establish their own internal timeline for the process. Check with your manager on the specifics for your organization.

- Budgets

- Budgets are set at the top executive level for each organization. Each LOB head may determine the method of allocating budgets to their organization.
- Modeling is a feature is available to assist in pushing down budgets based on specific criteria

Annual Equity Program

General Information

- Eligibility
 - Review the eligibility document posted on the Workforce Compensation website
 - Be sure the employee population for your organization is correctly reflected on your Workforce Compensation Planning worksheet
 - Not all employees are eligible for all of the corporate programs
- Communication
 - **Do not** communicate recommendations until you receive notification from Corporate Compensation that final approval has been obtained
 - Always check Workforce Compensation **before** you communicate to ensure that the final recommendations have not changed

Annual Equity Program

RSU vs. Stock Option

Restricted Stock Unit (RSU)

A company's promise to issue company stock

Subject to a vesting schedule

Almost certainly have some value

Outright grant of stock once vested

Risk to capital moment you vest

Generally, taxed at vest¹

Non-Qualified Stock Option

Provide the right (but not obligation)
to purchase stock at a specific exercise price

Subject to a vesting schedule

No guarantee of value

Depends on where the stock price is in comparison to
option's exercise price

Risk only when you exercise

Generally, taxed when exercised¹

¹ Note: Tax treatment may differ depending on country-specific tax regulations or other circumstances

What is Workforce Compensation?

- Workforce Compensation (WC) is an Oracle Self Service Application for managing compensation processes, allowing you to:
 - Allocate, model and distribute budgets to subordinate managers
 - Rate employees (Compensation Rating only, not Talent Rating)
 - Make, Review and Submit Recommendations for employees
 - Review historical compensation information
 - View and download employee information for offline work or further analysis

Note: Firefox is the preferred browser for Workforce Compensation

How to Access

Login

1. From [redacted] click [redacted]

Budget Modeling

- Models make it easy to see how different allocation methods and criteria affect your budget
- Different models can be created, previewed and applied **before** publishing the budget
- Who might create Models –
 - Managers who intend to pass down budgets to subordinate managers
 - Managers who intend to make the allocations themselves, but hold the entire budget

CAUTION:

- Applying a model will **overwrite** any previously entered recommendation amounts
- Models should **never** be applied **after** the budget has been published

Create a Budget Model

Create Model

- On the [redacted] click the [redacted] and select [redacted]

- Enter a [redacted] and click [redacted]

Create a Budget Model

Model Properties
